

CITY CLEAN

Asfahan Trading & Contracting, 272 Bawshar, Muscat, Oman +968 24614761 | +968 24614791 | info@asfahanco.com

CityClean is a brand of AsfahanCo. specialized in outdoor cleaning equipments for large streets as well as confined, walkways, parking lots and markets.

Our team focus on detailed cleaning using CityClean disc rotary floor machine to clean and polish granite and concrete floors. We focus also in cleaning details like street lights, street curbs and walls edges.

CityClean takes special care in cleaning and maintaining city furniture like pergolas, benches and chairs, waste bins, guard rails and so on.

CityClean uses hot water pressure to clean the streets, scrap and brush small objects on the floors.

CityClean uses special detergent and cleaning to clean up the city. We use special sweepers, scrappers, hot water pressure, air blower, city detergents and sanitizers.
